REMARKS

The title has been objected to as not descriptive of the claimed invention.

The title has been amended in accordance with the suggestion of the examiner.

Claims 10, 15, 19, 26, and 29 have been objected to because they depend on non-elected claims 1 and 3.

Claims 10, 15, 19, 26, and 29 have been amended to depend only upon elected claims.

Claim 5 has been rejected under 35 U.S.C. § 112, first paragraph, as not enabled. The claim has been rejected because it is said to contain subject matter that is not disclosed or shown in elected species 8.

Claim 5 has been amended to be consistent with elected species 8. The language indicated by the examiner as not being disclosed by species 8 has been deleted from the claim.

It is respectfully submitted that the present application is in condition for allowance. An early consideration and notice of allowance are earnestly solicited.

Respectfully submitted,
